eastside unites
A RECONNECTING COMMUNITIES PROJECT

WELCOME

Thank you for being here!

San Antonio for Growth on the Eastside, Inc. (SAGE) has been awarded a $2 million USDOT Reconnecting Communities Project planning grant to address longstanding barriers created by highways on San Antonio's Eastside.

This effort, **Eastside Unites**, builds on the ideas and community input from past and current planning efforts. Residents, businesses, and partners have already shared their priorities through these efforts, and **Eastside Unites** will carry that work forward rather than repeat it.

COMMUNITY QUESTIONNAIRE

Please join the conversation by participating in an interactive questionnaire! It should take about 5–10 minutes, but feel free to take your time! Share your contact information at the end to be entered to win a gift card to a local Eastside business!
